Surrender appointments usually take about 30 minutes. We do not provide pick-up service. Please complete the form and upload a current photograph for the quickest response. You will receive a response within 48 hours.

A surrender fee of **\$100 per pet** or **\$150 per litter** will be requested for animals surrendered to Happy Fur Ever. This fee helps cover some of the costs associated with caring for an animal until adoption.

Returning a Dog Adopted from Happy Fur Ever

If you need to return a dog you adopted from Happy Fur Ever, please complete this form to schedule an appointment.

If You Have Found a Stray Animal

- If the animal is friendly and responds to you, look for ID tags or a microchip tag on the animal's collar and contact their owner to return the animal to its home.
- If you can't approach or safely contain the animal, please call your local animal services or animal control. They will gather information from you about the animal so that they can assist.
- We are not a stray-hold facility, so we cannot accept stray animals. All stray animals need to go to the local animal services (in the city they were found) for a stray hold. This is their best chance at being united with their family. The shelter will also scan the animal for a microchip and if one is found, the owners will be notified.
